

# ➤ Agent Program

## Reasons to Participate

*The Ohio Association of Health Underwriters (OAHU) agent program provides our agents with access for their clients to the best workers' compensation program in Ohio. Sedgwick is the leading third party administrator in Ohio and saved Ohio employers over \$3 billion in workers' compensation premiums.*

### REASONS TO PARTICIPATE

1. Competitive commission paid to producers the first year and each renewing year thereafter is 31.25% of the annual administrative fee.
2. Top Agents receive over \$1,000 in commission.
3. Most Ohio businesses MUST have Workers' Compensation coverage. Help them save money while earning a competitive commission.
4. Is your client already in a group rating program, no problem! Let Sedgwick give them a competitive bid. If your client doesn't qualify, Sedgwick can work with and help them qualify as soon as possible. Commission is available on these referrals as well.
5. Sedgwick will provide personalized AC-3 forms with your agency's name listed.
6. Easy program to market. Sedgwick will provide you with marketing brochures and AC-3s. An AC-3 can be faxed, emailed, mailed or delivered in person.
7. Sedgwick will provide a custom link that you can send to your clients which will make it easier on you and them to receive a workers' compensation quote.
8. Most businesses, regardless of size, can benefit from group rating.
9. The OAHU workers' compensation program enables you the opportunity to offer your clients and prospects the highest possible workers' compensation premium savings in Ohio.
