The Ohio Association of Health Underwriters (OAHU) represents licensed health insurance agents, brokers, consultants and benefit professionals in Ohio. OAHU members service the health insurance needs of large and small employers as well as those seeking individual health insurance coverage. One of OAHU's primary goals is to do everything we can to promote access to affordable health insurance coverage and we require each of our members to always make health care coverage recommendations with the customer's best interest in mind.
